

Computer Virus Tutorial

License

Copyright 1996-2005, Computer Knowledge. All Rights Reserved

The Computer Knowledge Virus Tutorial is a copyright product of Computer Knowledge. It also contains copyrighted material from others (used with permission). Please honor the copyrights. Read the tutorial, learn from the tutorial, download and run the PDF version of the tutorial on your computer, link to the tutorial. But, please don't copy it and claim it as your own in whole or part.

The PDF version of the Computer Knowledge Virus Tutorial is **NOT** in the public domain. It is copyrighted by Computer Knowledge and it and all accompanying materials are protected by United States copyright law and also by international treaty provisions.

The tutorial requires no payment of license fees for its use as an educational tool. If you are paying to use the tutorial please advise Computer Knowledge (PO Box 5818, Santa Maria, CA 93456 USA). Please provide contact information for those charging the fee; even a distribution fee.

License for Distribution of the PDF Version

No royalties are required for distribution. No fee may be charged for distribution of the tutorial.

You may not use, copy, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed program except as provided in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license.

In no case may this product be bundled with hardware or other software without written permission from Computer Knowledge (PO Box 5818, Santa Maria, CA 93456 USA).

All distribution of the Computer Knowledge Virus Tutorial is further restricted with regard to sources which also distribute virus source code and related virus construction/creation materials. The tutorial may not be made available on any site, CD-ROM, or with any package which makes available or contains viruses, virus source code, virus construction programs, or virus creation material.

Permission to distribute the Computer Knowledge Virus Tutorial program is not transferable, assignable, saleable, or franchisable. Each entity wishing to distribute the package must independently satisfy the terms of this limited distribution license.

You agree that the software will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions or regulations.

U.S. Government Information: Use, duplication, or disclosure by the U.S. Government of the computer software and documentation in this package shall be subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.277-7013 (Oct 1988) and FAR 52.227-19 (Jun 1987). The Contractor is Computer Knowledge, PO Box 5818, Santa Maria, CA 93456-5818 USA.

Warranty

Limited warranty: This software is provided on an "as is" basis. Computer Knowledge disclaims all warranties relating to this software, whether expressed or implied, including but not limited to any implied warranties of merchantability or fitness for a particular purpose. Neither Computer Knowledge nor anyone else who has been involved in the creation, production, or delivery of this software shall be liable for any indirect, consequential, or incidental damages arising out of the use or inability to use such software, even if Computer Knowledge has been advised of the possibility of such damages or claims. The person using the software bears all risk as to the quality and performance of the software.

Some jurisdictions do not allow limitation or exclusion of incidental or consequential damages, so the above limitations or exclusion may not apply to you to the extent that liability is by law incapable of exclusion or restriction.

In no event shall any theory of liability exceed any license fee paid to Computer Knowledge, if any.

This agreement shall be governed by the laws of the State of California excluding the application of its conflicts of law rules and shall inure to the
